Hello!

My name is Adi and I am eleven years old. I live in New York, America. There are six people in my family, My mom and dad, two older sisters and a baby brother, He is only five months old. We don't have a pet but I really want a dog. My mom says our house is too small and dogs need big space or a garden. I go to Gordon School, it's a long walk from my house, I enjoy the walk and listen to music on. On rainy days I go on a bus. School starts at quarter past eight, at twelve o'clock we eat lunch together at the School Cafeteria, Wednesday is my favorite lunch, Pizza! School ends at half past three. On Mondays Tuesdays and Fridays and I go straight from school to the pool. My dad says it keeps me healthy and strong.

I get home at half past six, do my home work with the help of my sisters. Only when I am ready for the next day, I can play on my computer.
